

## HUMAN POWERED TRAILS, INC. NEEDS YOUR FINANCIAL SUPPORT

We have benefited greatly from the core strength building labor and spiritual camaraderie many of you have supplied in developing our outstanding trail system. Now, we are asking you to support our continuing trail building and maintenance work with a cash donation. Your **tax-deductible** financial contribution will help support our long-term project needs, including:

- ✓ Mechanized equipment to help us build more efficiently
- ✓ Trail Signage
- ✓ Hand Tools
- ✓ Gas/Oil for equipment
- ✓ Beverages for hard working trail volunteers
- ✓ Training and books for volunteers so they can learn to "Build Better Trails"

Your contribution will help fund these projects so that we can make the trail system more accessible, safer, and better able to accommodate the many people in our area who enjoy outdoor recreation. There are many contribution levels at which you may participate and your contribution to Human Powered Trails is tax-deductible.

## JOIN US NOW

You can choose from a variety of membership levels to suit your financial ability. We welcome participation at every level, from outdoor recreation advocates to active families, to active teens.

Your membership in Human Powered Trails will bring you:

1. A warm feeling that you have done the right thing for yourself and our community.
2. The knowledge that you are helping to provide positive, healthful, and active outdoor exercise and activities for our area youth. It is impossible to be "on drugs" and climb to the top of TNT!
3. Updates on all new trail openings, group activities, organization meetings, and special events.
4. A four-color map of Human Powered Trails and TNT Trail.

## YES! I want to support the continued construction and maintenance of Human Powered Trails and our shared-use trail system.
